

How to order a building from us?

Send your drawing via email to us directly, or tell us the following

Project	Attn: _____ Date: _____
	Email: _____
	Phone: _____
	Project Location: _____
Load	Wind load: _____ Snow load: _____ Seismic Grade: _____
	Length (m): _____ Width (m): _____ Height (m): _____ Roof slope _____
Dimension	Clear span or any middle column? _____
	Windows: _____ Doors: _____ Mezzanine or not? _____ Area: _____ Height: _____ Stair: _____ column distance: _____
	Roof coverage: Single sheet thickness: <u>Such as 0.45mm?</u> _____ Insulation sandwich panel: _____
Coverage	Wall coverage: Single sheet thickness: <u>Such as 0.45mm?</u> _____ Insulation sandwich panel: _____
	Other option: Skylight belt on roof or wall? _____
	Opt Ventilation fitting: _____ Gutter: _____ Other: _____

Surface Treatment	<p>Main structure(✓):</p> <p><input type="radio"/> Hot dip galvanize(*Thickness ≥6mm 85um)</p> <p><input type="radio"/> Paint(60um gray color)</p>
	<p>Zinc coating (60g 80g 100g.....250g,275g/m²)</p>
Usage (✓)	<p>Industrial building: <input type="radio"/> Warehouse <input type="radio"/> Workshop <input type="radio"/> Other: _____</p>
	<p>Agriculture building: <input type="radio"/> Storage <input type="radio"/> Animal building <input type="radio"/> Other: _____</p>
	<p>Commercial building: <input type="radio"/> Exhibition hall <input type="radio"/> Indoor horse arena <input type="radio"/> Other: _____</p>
